

One LED block for all colors! Simplify design and lower inventory cost

Harmony XB4/XB5

Simplified design

A unique and universal white LED block replaces 6 individually-colored blocks of the Harmony XB4/XB5 offering simplifying product placement during design.

Lower inventory

New white universal LED block design allows partners to simplify their LED block inventory by reducing from 6 references to 1 – up to 79% reduction in LED Block and body references.

Enhanced color saturation

Improved color intensity and reduction of spot effects creates better functional visualization when the product is on or off.
